ORDER DISMISSING ACTION

Plaintiff Charles Caston,¹ proceeding *pro se*, commenced these four actions and sought leave to proceed *in forma pauperis* in each. On October 4, 2006, the court, pursuant to 28 U.S.C. § 1915, denied his applications to proceed *in forma pauperis* and dismissed his complaints for failure to state claims upon which relief could be granted. The court gave plaintiff thirty days' leave to both amend his complaints and pay the filing fees. This thirty-day period has elapsed without plaintiff filing any amended complaints or paying any filing fees in these four actions. These four actions are therefore dismissed; judgements shall be entered accordingly.

DATED: 11/7/06

RONALD M. WHYTE
United States District Judge

¹ The court received filings listing both "Charles Caston" (case numbers 06-04885 and 06-4914) and "Charles Muhammad" (case numbers 06-05533 and 06-05548) as plaintiff. On August 15, 2006, plaintiff submitted a motion in case number 06-04885 to change his name from "Charles Caston" to "Charles Muhammad."
